

SUPPLEMENTARY PERMIT TO ENGAGE IN FISHERY OPERATIONS IN  
THE SOUTHWESTERN ALASKA FISHERIES RESERVATION

Supplementary Permit No. 59-a-1924  
Alaska Packers Association.  
Olga Bay Diamond "A" Cannery.

January 5, 1924.

-----

Permit No. 59-1924, granted to the Alaska Packers Association under date of November 5, 1923, for the catching and canning of salmon at Olga Bay, Alitak, within Zone Two of the Kodiak-Afognak District of the Southwestern Alaska Fisheries Reservation, is hereby modified as follows:

1. That three additional beach seines, making six in all allotted to the company, may be operated within the unrestricted area of Zone Two.

2. That the five traps for which permit has been granted shall be as follows: traps No. 1, 3 and 6 in Moser Bay and trap No. 10 and floating trap No. 11 on the eastern side of Alitak Bay. As traps No. 10 and 11 catch no red salmon they may continue to operate after the limit on the red salmon pack has been reached.
